RE: Phone Conversations, Levin Stone, Levin Stone #1, S/027/086, Millard County, Utah

Date of Phone Call: March 7 and 8th, 2001
Time of Phone Call: Afternoon

Purpose of Phone Call: Phone calls to verify that the necessary reclamation had been completed.

On March 7 and 8th, I called Dee Ferguson, the contractor I met at the Levin Stone #1 site during my site inspection of February 27, 2001. I called to verify that he had received the necessary money from Levin Stone to complete the reclamation work. No answer was received at his phone either day. On the afternoon of March 8th I placed a call to Mr. Phil Levin. His secretary stated he was on the phone and she would leave him a message to call me. Mr. Levin never called back.

Larry Garahana of the Fillmore BLM field office, was informed of the situation on March 7th.
